Weill Cornell Medicine
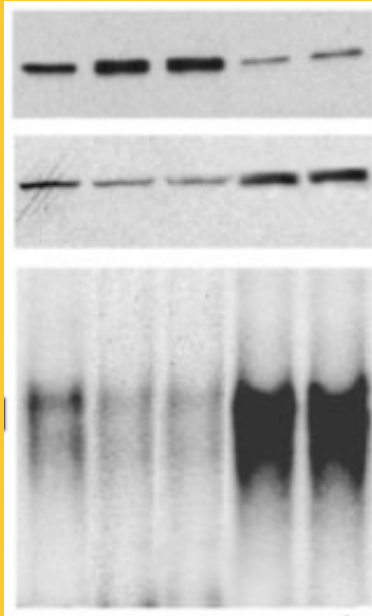

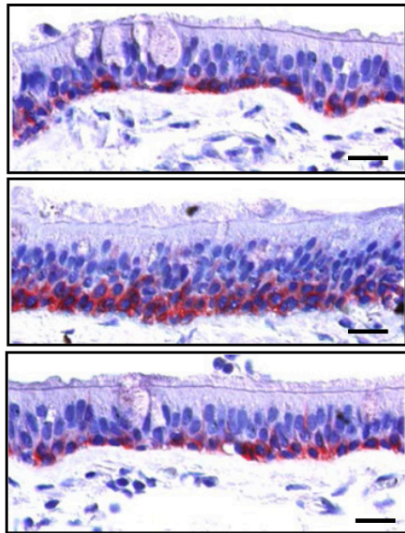

Samuel J. Wood Library & C.V. Starr Biomedical Information Center

Recruiting for the role of
## Informationist for Bioinformatics and Data Integrity

Weill Cornell Medicine is seeking to hire someone who is passionate about research reproducibility and integrity, to build services that support the best practices of these values.

Candidates should have a background in molecular biology or bioinformatics, and be able to critically evaluate published images such as the ones below (can you spot the problems with each?). A full description of the position is available at https://library.weill.cornell.edu/about-us/career-opportunities-and-internships

Airway epithelium *in vivo*

RT-PCR analysis

Cell type A

Cell type B

RT-PCR analysis

To apply, please send your cover letter, CV, and an evaluation of the above images to librecruiting@med.cornell.edu
